TO: All Local Union #134, IBEW Members
FROM: Electrical Industry Scholarship Program (EISP)
RE: Electrical Industry Scholarship Availability

We are pleased to announce that applications for the 2020 Electrical Industry Scholarships are now available. Scholarship awards include two scholarships in the amount of \$5,000 per year for up to four years of undergraduate study, and two scholarships in the amount of \$1000 for the fall 2020 semester (a one-time award).

To be eligible, applicants must be children of Local Union #134 members who are in good standing and working under the Principal Agreement, Communication Agreement or Residential Agreement. Children of deceased members may also be eligible to apply. Applicants must be high school seniors who will graduate in May or June 2020, or high school graduates who are registered in a college or university field of study directly related to the electrical industry. An independent Selection Committee comprised of members of academia will make the award selections.

If you are interested in participating in the Electrical Industry Scholarship Program, please send a written request for an application form to Local Union #134, IBEW, via email or post:
