Communication Agreement

AGREEMENT

THIS AGREEMENT made and entered into this 1st day of January, 1999, by and between The Electrical Contractors' Association of City of Chicago (the "Association"), acting for and on behalf of those companies who have been identified as being represented by the Association by being signatory to a Letter of Assent to be bound by the terms of this Agreement for the purposes of collective bargaining and all companies who become signatory hereto, hereinafter called the "Company", and Local Union No. 134, International Brotherhood of Electrical Workers, AFL/CIO, hereinafter called the "Union".

WITNESSETH

WHEREAS, the parties hereto desire to establish a standard of conditions under which the employees shall work for the Company and to provide for rates of pay, hours of work and other conditions of employment for such employees during the term of this Agreement.

WHEREAS, the purpose of this Agreement shall be to promote harmony in company-employee relations and to assist in the stabilization of the industry by education and cooperation.

WHEREAS, in order to provide the maximum opportunities for continuing employment, good working conditions and better wages for the employee, and to provide the services of this industry to the public at a fair and just price, the Company must be in a position to compete favorably with the various segments of the market for business communications, electronics and sound industry. To these ends this Agreement is made.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I

Union Recognition – Union Security – Bargaining Unit

Section 1.01 The Company recognizes the right of its employees to organize and bargain collectively through representatives of their choosing. The Union is hereby recognized as the exclusive bargaining representative for all employees of the Company engaged in the work covered by the terms of this Agreement in the Illinois County of Cook.

Section 1.02 Employees covered by the terms of this Agreement shall, as a condition of employment, pay or tender to the Union amounts equal to the periodic dues or the applicable agency fee from and after the thirty-first (31st) day following the date of their employment or the effective date of this Agreement, whichever is later.

Section 1.03 The bargaining unit covered by this Agreement shall consist of employees classified as Journeyman and Apprentice.

Section 1.04 The Company and all employees working under this Agreement within the city limits of Chicago shall operate in accordance with the City of Chicago Ordinance and the rules and regulations of the Electrical Inspection Department of the City of Chicago.

Communication Agreement

Section 1.05 No employee covered by this Agreement shall be subject to any form of discipline if he exercises his right to honor a lawful picket line.

ARTICLE II Scope of Work

Section 2.01 This Agreement covers all employees of the Company engaged in the following types of work, irrespective of the site of the work: installation, operation, inspection, maintenance, repair and service of radio, television, recording, voice sound vision production and reproduction, telephone and telephone interconnect, facsimile, data apparatus, coaxial, fiber optic and wireless equipment, appliances and systems used for the transmission and reception of signals of any nature, business, domestic, commercial, education, entertainment and residential purposes, including but not limited to, communication and telephone, electronic and sound equipment, fiber optic and data communication systems, and the performance of any task directly related to such installation or service whether at new or existing sites, such tasks to include the placing of wire and cable and electrical power conduit or other raceway work within the equipment room and pulling wire and/or cable through conduit and the installation of any incidental conduit, such that the employees covered hereby can complete any job in full.

The following pertains to each customer job site:

Battery Installation

The installation of DC battery back-up systems will be as follows, regardless of the type of setting (self contained battery room or equipment room):

1. All batteries will be unloaded and set in place by the 'A' member.
2. The 'A' membership will bring the primary feeds (480-volt power) to the rectifier and complete all high voltage terminations.
3. The 'C' membership will complete the secondary side (48-volt system). This includes all battery link-up, and both the placing and the lacing of all cables.

Fiber Guard

The installation of all Fiber Guard (8"x8" plastic enclosure which houses the fiber optic patch cables) inside the equipment room will be the work of the 'C' membership.

Cable, Basket, Finger, and Whale-Bone Tray

The installation of any type of tray system within the equipment room will consist of the following:

The first four members involved would be from the 'C' classification and the next four members would come from the 'A' group. The contractor will then alternate every other member between the 'C' and the 'A' group.

If the Communication Contractor does not have an 'A' agreement then they are to sub-contract the inside portion to an 'A' contractor. A sub-contract letter would then be sent to the Chairman of the Joint Arbitration Board. Nothing in this arrangement is meant to force a 'C' contractor to sign an 'A' letter of Assent. Also nothing in this agreement prevents an 'A' contractor from bidding and installing central office equipment with a total workforce of 'A' members.

Communication Agreement

Therefore, this Scope of Work shall exclude only:

1. The installation of power conduit beyond the extent set forth above;
2. The installation of complete continuous conduit systems; and,
3. The installation of communication wire conduit and/or other communication raceway work exceeding an average of one hundred (100) lineal feet per continuous run where another contractor is working on the job for the same customer on the same project under the Principal Agreement (electrical construction agreement) between I.B.E.W., Local 134 and the Electrical Contractors' Association of the City of Chicago, provided said other contractor is ready, willing and able to perform said installation in a timely fashion.

Except for the work specified above, this Scope of Work should in no way conflict with the work covered under the terms of the Agreement between Local 134, I.B.E.W. and the Electrical Contractors' Association of the City of Chicago (commonly referred to as the "Principal Agreement" or the "Construction Agreement"). As referred to above and in this agreement, the 'A' member is any Local Union #134, IBEW member working under the terms of the Principal Agreement; the 'C' member is any Local Union #134, IBEW member working under the terms of the Communication Agreement.

ARTICLE III Non-Discrimination

Section 3.01 The Employer and the Union agreed that they will not discriminate against any employee because of race, color, religion, sex, national origin, disability, handicap, marital status, parental status, military discharge status, or any other basis protected by law.

Section 3.02 Unless the context in which they are used clearly requires otherwise, words used in this contract denoting gender shall refer to both the masculine and feminine.

ARTICLE IV Right of Access - Stewards

Section 4.01 The duly authorized representatives of either party, if having in their possession proper credentials, shall be permitted to visit jobs during working hours to interview the Company or the employees, but they shall in no way interfere with the progress of the work.

Section 4.02 The Business Manager of the Union shall have the right to appoint a steward, at his discretion, to the Company and/or to any job where employees are employed under the terms of this Agreement. The Business Manager of the Union shall also have the right to remove a steward for cause and appoint a successor. Such stewards shall see that the terms and provisions of this Agreement are being observed at all times. They shall be allowed sufficient time by the Company to attend their duties as such. However, this shall not be construed as requiring the Company to place a non-working steward on any job. Under no circumstances shall stewards be discriminated against for the faithful performance of their duties as such.

Communication Agreement

Section 4.03 Provided further, stewards shall in no case cause a stoppage of work. In any case of trouble on the job which they cannot adjust with the Company, they must refer such matters to the Business Manager of the Union, or his/her designee.

Section 4.04 The steward is to remain employed while the Company has three (3) or more employees therein, unless good cause is shown to justify removal.

Section 4.05 It is understood that a job shall mean any building or group of directly related buildings located in the area on which the Company is performing the work.

Section 4.06 The Union shall notify the Company of the appointment of a steward and the Company shall not be required to recognize any other employee in the adjustment of complaints, except as may be provided elsewhere in this Agreement.

Section 4.07 The steward has the responsibility to inspect all working credentials.

ARTICLE V Management Rights - Union Rights

Section 5.01 The management of the Company's business and the direction of the working force, including the right to plan, hire, suspend or discharge for proper cause, transfer or relieve employees from duty because of lack of work or other legitimate reasons; the right to study and introduce new or improved methods of operations or facilities; the right to establish, direct and maintain rules and regulations covering operations are vested exclusively in the Company; provided however, that these rights shall not be exercised in violation of any of the other terms and provisions of the Agreement.

Section 5.02 The Union reserves the right to discipline its members for violation of its laws, rules and agreements, in accordance with its Constitution and/or By-laws.

ARTICLE VI No Strike - No Lockout

Section 6.01 The Union agrees that it will not authorize a work stoppage or strike and the Company agrees that it will not engage in a lockout because of any proposed changes in this Agreement or disputes relating from this Agreement.

The Union further agrees that it will take every reasonable means which are within its powers to induce employee(s) engaged in a work stoppage or strike in violation of this Agreement to return to work. There shall be no responsibility on the part of either party, its officers, representatives or affiliates for any lockout, strike or other interruption of work unless it can be shown that either party by its actions or inaction causes a violation of this Section. All questions, disputes or controversies arising hereunder during the term of this Agreement shall be settled and determined solely and exclusively by the conciliation and arbitration procedures provided in the Agreement.

Communication Agreement

ARTICLE VII Grievance Procedure – Electrical Joint Arbitration Board

Thereafter, the committee shall have no further authority. Such findings and recommendations shall be reported to the next meeting of the Electrical Joint Arbitration Board, which shall review and may either approve or disapprove such findings and recommendations. Findings and recommendations of the committee shall not establish future precedents.

Section 7.06 Should the Electrical Joint Arbitration Board fail to agree or to adjust any matter referred to it, such matter shall then be referred to the Federal Mediation and Conciliation Service for adjudication. In the event the Electrical Joint Arbitration Board is unable to agree on the selection of the odd member of the Board within ten (10) days from the date it has determined the matter before them can be settled in no other way, then in that event either or both parties may call upon the Director of the Federal Mediation and Conciliation Service for the appointment of the odd member of the Board and the parties hereto agree to be bound by this procedure. Section 14.01 In the interest of maintaining an effective system of production in the industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of Employees in their employment status within the area and of eliminating discrimination in employment because of membership or non-membership in the Union, the parties hereto agree to the following system of referral of applicants for employment.

Section 14.02 The Union shall be the sole and exclusive source of referral of applicants for employment.

Section 14.03 The Employer shall have the right to reject any applicant for employment.

Section 14.04 The Union shall select and refer applicants for employment without discrimination against such applicants by reason of membership or non-membership in the Union and such selection and referral shall not be affected in any way by rules, regulation, by-laws, constitutional provisions or any other aspect or obligation of Union membership policies or requirements. All such selection and referral shall be in accord with the following procedure.

Communication Agreement

Section 14.05 The Union shall maintain a register of applicants for employment established on the basis of the Groups listed below. Each applicant for employment shall be registered in the highest priority Group for which he qualifies.

- GROUP I All applicants for employment who have four (4) or more years experience in the trade, are residents of the geographical area constituting the normal construction labor market, have passed a Communication Journeyman examination given by a duly constituted Inside Construction Local Union of the I.B.E.W. or have been certified as a Communication Journeyman by an Communication Joint Apprenticeship and Training Committee and who have been employed for a period of at least one (1) year in the last four (4) years under a collective bargaining agreement between the parties to this Agreement.

- GROUP IV All applicants for employment who have worked at the trade for more than one (1) year.

Section 14.06 If the registration list is exhausted and the Local Union is unable to refer applicants for employment to the Employer within forty-eight (48) hours from the time of receiving the Employer's request, Saturdays, Sundays and holidays excepted, the Employer shall be free to secure applicants without using the Referral Procedure but such applicants, if hired, shall be the status of "temporary Employees".

Section 14.07 The Employer shall notify the Business Manager promptly of the names and Social Security numbers of such "temporary Employees" and shall replace such "temporary Employees" as soon as registered applicants for employment are available under the Referral Procedure.

Section 14.08 "Normal construction labor market" is defined to mean the following geographical area plus the commuting distance adjacent thereto which includes the area from which the normal labor supply is secured in the County of Cook.

The above geographical area is agreed upon by the parties to include the area defined by the Secretary of Labor to be the appropriate prevailing wage areas under the Davis-Bacon Act to which this Agreement applies.

Section 14.09 "Resident" means a person who has maintained his permanent home in the above defined geographical area for a period of not less than one (1) year or who, having had a permanent home in this area, has temporarily left with the intention of returning to this area as his permanent home.

Section 14.13 An applicant who is hired and who received, through no fault of his own, work of eighty (80) hours or less shall, upon re-registration, be restored to his appropriate place within his Group.

Section 14.14 Employers shall advise the Business Manager of the Local Union of the number of applicants needed. The Business Manager shall refer applicants to the Employer by first referring applicants in Group I in the order of their place on the "Out of Work List" and then referring applicants in the same manner successively from the "Out of Work List" in Group II, then Group III, and then Group IV. Any applicant who is rejected by the Employer shall be returned to his appropriate place within his Group and shall be referred to other employment in accordance with the position of his Group and his place within the Group.

Section 14.15 The only exceptions which shall be allowed in this order of referral are as follows:

(a) When the Employer states bona fide requirements for special skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.

(b) The age ratio clause in the Agreement calls for the employment of an additional Employee or Employees on the basis of age. Therefore, the Business Manager shall refer the first applicant on the register satisfying the applicable age requirements provided, however, that all names in higher priority Groups, if any, shall first be exhausted before such overage reference can be made.

Section 14.16 An Appeals Committee is hereby established, composed of one (1) member appointed by the Union, one (1) member appointed by the Employer or by the Association, as the case may be, and a Public Member appointed by both these members.

Section 14.17 It shall be the function of the Appeals Committee to consider any complaint of any Employee or applicant for employment arising out of the administration by the Local Union of Article XIV, Section 14.04 through Section 14.15 of this Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. Chicago, IL 60661
Phone Number – (312) 466-8300
Fax Number – (312) 466-8313

Section 14.22 The following procedures should be used when calling a Foreman by name off the Referral System list. These rules shall be implemented immediately.

(a) In calling a Foreman by name, Contractors will be required to complete a "Contractor Foreman Request Form". The information contained on this form is important to the implementation of the Foreman Provision and will give the Referral System a permanent record of the Foreman Request.

(b) Upon receiving this request form and assuming that the individual meets the qualification of being unemployed and listed as available and ready for work on the appropriate book of the Referral System for five (5) days, the Employee will be immediately referred to the Employer to work as a Foreman. Said Employee shall work as a Foreman for a minimum of one thousand (1000) hours or be terminated.

(c) During the one thousand (1000) hour period of employment, the Foreman who is called by name off the Referral System list shall be required to complete a "Weekly Foreman Report" which will include additional information of job location, job address and names of Employees who are being supervised on the job listed. Once the one thousand (1000) hour minimum has been satisfied, the "Weekly Foreman Report" will no longer be required. It is the strict intention of the "Foreman Call Out Procedure" that the Foreman called off the Referral System list by name will eventually supervise one (1) or more Journeyman Electricians. This Section of the "Foreman Call Out Procedure" will be closely monitored.

Section 15.06 An Apprentice who has completed his probationary period may be removed from training by the Subcommittee, in accordance with its rules, for cause. Such removal by the Subcommittee also cancels his classification of Apprentice and the opportunity to complete this training.

Section 15.07 The parties to this Agreement shall be bound by the Electrical Joint Apprenticeship and Training Trust Fund Agreement which conforms to Section 302 of the Labor-Management Relations

Communication Agreement

Act of 1947, as amended. The Trustees authorized under this Trust Agreement are hereby authorized to determine the reasonable value of any facilities, materials or services furnished by either party. All funds shall be disbursed in accordance with this Trust Agreement.

Section 16.03 The Company would like thirty (30) days advanced notice from employees wishing to take vacation time, but such vacation time should be scheduled at least two (2) weeks in advance.

Section 16.04 Health and Welfare contributions shall be made pursuant to the provisions of Appendix "C". Annuity contributions shall be made pursuant to the provisions of Appendix "D". Contributions to the Vacation Account shall be made pursuant to Appendix "F". The Labor Management Cooperation Committee of Chicago (LMCC Chicago) contribution shall be made pursuant to the provisions of Appendix "G". Section 16.05 The Electrical Joint Arbitration Board recognizes that the dangers and costs which alcohol and other chemical abuses can create in the electrical contracting industry as it relates to safety and productivity are significant. The Board resolves to combat chemical abuse in any form through the Electrical Industry Drug-Free Alliance program. The Board also agrees that to be effective, programs to eliminate substance impairment should contain a strong rehabilitation component. The parties recognize the employer's right to adopt and implement a drug and alcohol policy subject to all applicable laws and regulations, procedural safeguards, scientific principles and legitimate interests of privacy and confidentiality. The Electrical Joint Arbitration Board reserves the right to change or modify any section of the drug testing policy and procedures. The Board also recognizes that funding for this program will be borne by the employers. When drug and alcohol testing is performed, all testing shall be conducted in accordance with the procedures outlined in the Electrical Industry Drug-Free Alliance policy.

Section 16.06 The Payroll Report for Participating Employers and a single check payable to Electrical Insurance Trustees covering the Company's contribution for fringe benefits of employees shall be sent monthly to the address as stated in Article XVIII, Section 18.01 (a) of this Agreement.

Section 16.07 The Electrical Insurance Trustees are authorized and empowered to make the required allocation of the amount received among the various trusts.

Section 16.08 The failure of the Company to comply with the above provisions shall constitute a breach of this Agreement.

Communication Agreement

Section 16.09 It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF, the individual Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the Employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

Section 16.10 An individual Employer who fails to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours' notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

Section 16.11 The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of his labor Agreement.

Section 16.12 If an Employer employs an Employee who is related to one of the owners of the Employer as a child, parent, sibling, in-law or spouse of either such owner or the owner's spouse, the Employer shall make fringe benefit contributions on behalf of such Employee on a full-time basis of not less than 40 hours per week for 48 weeks per calendar year; unless the Employer can demonstrate to the satisfaction of the Trustees that the Employee actually worked fewer hours, in which case the Trustees may determine that additional contributions need not be paid on behalf of that relative beyond the hours they determined were actually worked.

The Electrical Insurance Trustees are also authorized to require such full-time contributions by the Employer on behalf of an Employee who exercises significant control over the management and/or operation of the Employer's business, unless the Employer can demonstrate to the satisfaction of the Trustees that the Employee does not exercise such control.

This Section 16.12 shall not be deemed to require additional contributions on behalf of a relative who, in the absence of such contributions, does not qualify for any welfare benefits under a plan of benefits maintained by the Trustees.

Section 16.13 Employees on payroll reports submitted to the Electrical Insurance Trustees must be employed by the Participating Employer and signatory to the Communication Agreement. Employers cannot contribute to the Trustees on behalf of leased Employees or Employees of a Professional Employer Organization.

Section 16.14 The Company agrees that if the Union removes the employees of the Company from any and all job sites because the Company was delinquent for two (2) months in wage or fringe benefit payments due under the terms of this Agreement, such action will not constitute a violation of this Agreement.

Communication Agreement

ARTICLE XVII Wage and Fringe Benefit Performance Bond

Section 17.01 The Company shall furnish two bonds, each with corporate surety, one to guarantee the payment of wages and working dues with the Union as "obligee" and the other to guarantee the payment of fringe benefit contributions with the Electrical Insurance Trustees as "obligee". The wage bond shall be on a standard form provided by the Union (an example is included in Appendix "J" of this Agreement). The fringe benefit bond shall be on a standard form provided by the Electrical Insurance Trustees (an example is included in Appendix "K" of this Agreement). The Company and the surety licensed to transact business in Illinois, herein called the "Surety", are hereby bound unto the Electrical Insurance Trustees, as Obligee, in the penal sums of (1) Seven Thousand Five Hundred Dollars and 00/100 (\$7,500) for each covered employee of the Company for all fringe benefit contributions to the Obligee and any liquidated damages assessed thereon and (2) Three Thousand and 00/100 (\$3,000) for contributions to the National Electrical Benefit Fund (NEBF) and any liquidated damages assessed thereon. The wage bond shall provide for full payment of net wages and working dues to a maximum of four (4) weeks of wages and working dues. There shall be no deductible on either bond.

Section 17.02 The bond shall further provide that it may not be terminated without thirty (30) days prior written notice to the Union and the Company.

ARTICLE XVIII Wage and Fringe Benefit Checks – Delinquency Collection Policy

Section 18.01 Employers who fail to have sufficient funds in the bank to cover checks issued to Employees for wages and checks issued to the Electrical Insurance Trustees for contributions will be penalized by the Electrical Joint Arbitration Board.

(a) Due Date. An Employer's contribution and payroll report are due on the fifteenth day of the month ("Due Date") following the month in which work was performed. Payroll reports and contributions must be sent to one of the following addresses:

Via United States Postal Service:

Electrical Insurance Trustees
75 Remittance Drive, Suite 1615
Chicago, IL 60675-1615

Via Courier (everything except U.S.P.S.):

The Northern Trust Company
350 North Orleans Street
Receipt & Dispatch
8th Floor
Chicago, IL 60654

Attention: Electrical Insurance Trustees
Suite 1615

(b) Delinquent Defined. If a contribution and payroll report are not received by the Due Date, they are delinquent. If the Due Date is a Saturday, Sunday or holiday, the contribution and payroll report must be received by the next business day. Contributions are not received until they are received at one of the above addresses. The postmark date on an envelope is not the receipt date. If only a part of the amount due is paid, the shortage is delinquent.

Communication Agreement

(c) Additional Charge for Delinquency. Failure to pay the contribution by the Due Date will result in liquidated damages of one percent (1%), multiplied by the total amount due for each day late, up to ten percent (10%).

(d) Past Due Date and Amount. If an Employer's delinquent payment is not received by the last day of the month ("Past Due Date") following the month in which work was performed, the Trustees will assess additional liquidated damages and interest as follows:

(1) Liquidated damages at the rate described in item (c) above, plus an additional five percent (5%) of the delinquent amount. If the delinquent payment is not received by the last day of the month following the Past Due Date, another five percent (5%) in liquidated damages will be assessed.

(2) Interest at the rate of one percent (1%) will be assessed for each month, or a part thereof, that a payment is late.

As soon as reasonably possible following the Past Due Date, the Trust office will notify the delinquent Employer that failure to pay the amount due will result in liability for additional liquidated damages, interest, attorneys' fees and costs, and jeopardizes coverage and eligibility for its Employees.

(e) Claim on Bond and notice to EJAB. If an Employer is delinquent in the amount of \$25,000 or more, the Trust office will promptly file a claim on the Employer's Fringe Benefit Bond and send a notice to the Electrical Joint Arbitration Board. If an Employer's delinquent payment is not received by the last day of the month following the Past Due Date, regardless of the amount of the delinquency, the Trust office will send a notice to the Employer's surety and to the Electrical Joint Arbitration Board.

(f) Payment Required and Suspension of Coverage.

(1) Hours for which an Employer is delinquent do not count in determining eligibility under the Insurance Trust.

(2) If an Employer remains delinquent fifteen (15) days after the Past Due Date, the Trust office will promptly send a notice to (a) the Employer for distribution to Employees, (b) affected Employees at their last address in the Insurance Trust records and (c) Local Union No. 134, which explains that coverage under the Insurance Trust will be suspended if the delinquent contributions are not paid by the last day of the month following the Past Due Date. If the Trust office has no address for an Employee, the notice to the Union and his Employer will substitute for notice to the Employee. The Employer must post the notice at the location for other Employee notices. Failure to pay the delinquent amount in full by the last day of the month following the Past Due Date will result in a suspension of coverage and eligibility under the Insurance Trust for claims incurred after the last day of the month following the Past Due Date, and the suspension will continue until eligibility and coverage are reinstated by the Trustees.

(3) It is the intent of the Parties that an Employee should not continue to work for an Employer who is delinquent in making contributions to the Electrical Insurance Trustees and that while an Employee remains employed by a delinquent Employer, to the extent permitted by law, the Employee will not receive health and welfare benefits. If they deem it prudent, the Trustees may defer suspension of coverage and eligibility as otherwise required by this Agreement while pursuing other means of curing the delinquency, including in the case of a bankrupt Employer an application to the bankruptcy court for any relief to which the Trustees may be entitled.

Communication Agreement

(4) Suspension of coverage does not relieve the Employer of its obligation to pay contributions.

(g) Referral to Legal Counsel. The Fund Administrator will refer any delinquency which remains unpaid 90 days after the Due Date and which is more than \$5,000 to Fund Counsel for legal action. Notice of the referral will be provided to the Chicago and Cook County Chapter, N.E.C.A., the Local 134 Business Manager and affected Employees. If Fund Counsel files suit to collect the delinquency, the Employer is liable for the amount of the contributions, liquidated damages, interest, and all costs of recovery, including but not limited to attorneys' fees and court costs.

(h) Deposit. If an Employer fails to make the full monthly contribution by the Due Date three (3) times in any twelve (12) month period, the Trustees will require the Employer to post a cash deposit which is the lesser (a) of three (3) months of estimated contributions, based on the Employer's last twelve (12) payroll reports, or (b) the amount on the following schedule:

Number of Employees	Deposit Required
1 - 5	\$10,000
6 - 10	\$20,000
11 - 20	\$40,000
21 - 50	\$100,000
51 - 75	\$150,000
Over 75	\$150,000

plus an additional amount determined by this schedule for increments of Employees beyond Seventy-five (75).

The term of the deposit is for a period of one (1) year.

The deposit will only be used to guarantee contributions and related liquidated damages, interest and costs of collection, and shall be in addition to other security hereunder.

The term of the deposit will automatically renew if the Employer is again delinquent during the year the deposit is required to be maintained.

(i) The following will also be processed as delinquencies:

(1) Liquidated Damages. Assessments for liquidated damages must be paid by the last day of the month in which assessed. If assessed liquidated damages are not paid by the last day of the month in which assessed, they will be treated the same as delinquent contributions except that liquidated damages will not be assessed for the late payment of liquidated damages.

(2) If a check for contributions is dishonored for any reason, the contributions will be treated as unpaid. In addition to their remedies hereunder, the Trustees may pursue any other remedies they may have against the Employer or any other person under any applicable law.

Communication Agreement

(3) Any amounts assessed by the Trust office pursuant to any rule adopted by the Trustees, including but not limited to any assessment for failure to permit a payroll audit, will be treated the same as delinquent contributions, and must be paid by the end of the month in which assessed.

(j) Controversies and Disputes. In any controversy, claim, demand, suit at law or other proceeding between an Employer or any other person and the Trustees, the Trustees are entitled to rely upon any facts appearing in the records of the Trustees, certified by the Union or an Employer, any facts which are of public record, and any other evidence pertinent to the issue involved.

The Trustees have discretionary authority to determine all questions and controversies relating to the Trust, including the construction of any rules or regulations adopted by the Trustees. The decision of the Trustees is binding upon all persons dealing with the Trustees. If a determination of the Trustees is subject to review by a court or other authorized person or body, the decision by the Trustees must be sustained unless it is determined that the Trustees acted in an arbitrary and capricious manner.

(k) Payroll Audit. The Trustees are authorized to conduct payroll audits of Employers from time to time as the Trustees deem desirable. If an Employer fails to schedule an audit for a date within 30 days of the Trustees' notice of audit or if an Employer refuses to schedule an audit, the Trustees shall immediately assess the Employer \$1,000. The Trustees shall assess the Employer an additional \$2,000 if the audit is not scheduled by the end of the following month. Thereafter, the Trustees shall assess the employer \$3,000 per month until the Employer complies. If an audit discloses an underpayment, liquidated damages of fifteen percent (15%), multiplied by the amount of the underpayment, will be assessed. If the underpayment and liquidated damages are not paid by the last day of the month following at least fifteen (15) days notice by the Trust office, the same rules above that apply to delinquent contributions will apply except that the total liquidated damages will not exceed twenty percent (20%) of the underpayment. If the audit discloses an underpayment of three percent (3%) or more of the total contributions due for the audit period, the cost of the audit (deemed to be \$750) will be paid by the Employer. If Fund Counsel files suit to collect an underpayment or to enforce the Trustees' right to conduct an audit, the Employer will be liable for any attorneys' fees and costs incurred by the Trustees in addition to any underpayment, liquidated damages and interest.

Section 18.02 The Union is authorized to reject any wage bond it deems substandard. The Electrical Insurance Trustees are authorized to reject any fringe benefit bond they deem substandard.

Section 18.03 The failure of an Employer to comply with the above provisions is a breach of this Agreement.

ARTICLE XIX

Workers' Compensation – Unemployment Insurance

Section 19.01 During the term of this Agreement, the Company agrees to maintain workers' compensation coverage, with a carrier approved by the Illinois Department of Insurance, or be self-insured under policies and rules of the Illinois Industrial Commission, for employees covered by this Agreement. The Company shall furnish the Union with a Certificate of Insurance, or equivalent certification if self-insured, with the appropriate thirty (30) day cancellation notice provision certifying the above coverage as well as other coverage required by this Agreement. Furthermore, the Company shall furnish the Union with its registration number as issued by the Illinois Department of Employment Security.
